

# FORMAL WORKSHOP PERMISSION

AI Draft -> Professional and concise

261FB04013 | JASTI PHANI KUMAR

Dear Sir/Madam,

I am writing to respectfully request permission to organize a workshop on **Artificial Intelligence (AI)** for the students of our institution. The proposed workshop is intended to provide students with a broader understanding of the fundamentals, applications, and emerging trends in Artificial Intelligence and its role in the modern technological environment.

The workshop will include informative and interactive sessions covering topics such as **AI fundamentals, Machine Learning, Generative AI, Agentic AI, real-world applications of AI, and the responsible use of AI tools**. The session will also provide students with an opportunity to gain practical exposure and understand how AI technologies are being applied across various industries.

The primary objective of conducting this workshop is to enhance students' technical awareness, encourage innovation and creativity, and help them understand the growing relevance of Artificial Intelligence in academics, industry, and future career opportunities. We believe that such a workshop will complement their academic learning and motivate students to explore emerging technologies.

We propose to conduct the workshop on a suitable date and at a convenient time, as per the institution's schedule and guidelines. We assure you that the workshop will be organized in a systematic and professional manner, with proper coordination and without causing any disruption to regular academic activities.

Therefore, I kindly request you to grant us permission to conduct the proposed **Artificial Intelligence Workshop**. Your approval and support would enable us to provide students with a valuable learning experience and greater exposure to one of the most rapidly developing areas of technology.

I sincerely request you to consider our proposal and grant the necessary permission.

Thank you for your time and consideration. I look forward to your positive response.

Yours sincerely,
